**MISSISSIPPI
MESSAGES**

**Fair State Cooperates opportunity
Every day in June
Fair State Brewing Cooperative, Minneapolis**

Fair State Brewing Cooperative's member-owners have selected FMR as their June nonprofit partner. All month long, every time you purchase a crowler or a bottle in the taproom, 10% is donated to FMR.

**Calling all River Guardians!
Now through the end of the June special session**

Take action online to shape the protection, habitat and accessibility of our river in the Minnesota Legislature's special session:

- [Action Alert #1: Support clean water & oppose raids to the Clean Water Fund](#)
- [Action Alert #2: Support clean water bonding](#)

If you haven't already, sign up as a [River Guardian](#) to get action alerts like this all year long.

**Plant and tend pollinator gardens Camel's Hump Park
Thursday, June 10, 6:00pm to 8:00pm
Camel's Hump Park and Open Space, Cottage Grove**

Join us for this summer worknight at this stunning site with expansive blufftop views of the Mississippi River Valley. Together we'll tend and plant more native wildflowers in our pollinator patches — small gardens that provide much-needed concentrated habitat and resources for pollinators and other wildlife.

**Tend the native prairie bluff at Indian Mounds Park
Tuesday, June 22, 6:00pm to 8:00pm
Indian Mounds Regional Park, St. Paul**

Since 2011, FMR volunteers have been restoring the native bluff prairie at Indian Mounds Park, a Dakota burial site. We need volunteers to join us with respect and tend the prairie that supports pollinators and stabilizes the bluff.

**Stencil storm drains with water quality messages
Any time now through mid-October
St. Paul streets**

Protect our river by stenciling storm drains with the message "Keep 'em clean: Drains to River." You can check out our DIY kit for up to a week to mark St. Paul storm drains on your own time with friends or family.
