

Land Bridges and Freeway 'Lids'

- The RiverFirst Vision and both Above The Falls plans suggest land bridges crossing over I-94
- Examples of different types of land bridges include: wildlife crossing, retail and business spaces, parks and recreational uses

Vancouver Land Bridge

Vancouver, WA

Vancouver Land Bridge

Sam Smith Park Seattle, WA

Cap at Union Station
Columbus, OH

Longfellow Gardens
Minneapolis, MN

Dowling Ave N

Case Study: Friendly Streets Initiative

- Developed Better Bridges Project working on connections over I-94 in Saint Paul
- Use creative demonstration projects that allow communities to engage and visualize projects during the planning phase
